

Jean Vincent Sancerre

PRODUCTION AREA

Country: France
Region: Loire's Central Valley
Appellation: Sancerre

SOIL/VINEYARD

Sancerre is located on the river bank of Loire, on the east side of Bourges and its vineyards are spread over 2770 ha (6845 acres). This wine comes from clay chalky soils which has little stones called caillottes. This soil imparts a distinct minerality and complexity to the wines.

GRAPE VARIETIES

100% Sauvignon Blanc

DESCRIPTION

With its brilliant green-gold color and elegant, rich nose of ripe lemons and grapefruit, this wine is very attractive of the palate, lightly minty with good length.

AGEING CAPACITY

3 to 5 years

ANALYSIS

Alc.: 13%

SERVING SUGGESTIONS

Delicious with pork and veal in cream sauces, poultry, fish, shellfish and goat's cheese.

BOTTLE SIZES

750 ml
